Summer Electronic Resources

A collage of various electronic resources. At the top left is the front page of the Financial Times with the headline 'Ukraine rejects Orange leaders'. Next to it is the front page of The Wall Street Journal with the headline 'Oil Find Will Spur Industry Change'. To the right is the cover of Barron's magazine featuring 'Tomorrow's Luxury Car'. Further right is the cover of The Economist with the headline 'The oiloholics' and an illustration of a man with an American flag body and a pig head. On the far right is the cover of Advertising Age with the headline 'Behavioral-Targeting'. Below these are several academic journals: 'Faculty & Research Working Paper' (green cover), 'Oxford Economics' (white cover with a table), 'Library Journal' (white cover with a woman's portrait), 'MIT Sloan Management Review' (white cover with a building illustration), 'The RAND Journal of Economics' (blue cover), and 'MIS Quarterly' (white cover with a red content table). A watermark for 'UNINDIA YOGYAKARTA' is visible at the bottom center.
